McMorrough Library at Goodman now offers breakfast

McMorrough Library on the Goodman Campus is now serving breakfast from 7:30 - 11 a.m., Monday - Thursday. The menu includes sausage biscuits, croissants, and ham and cheese croissants for $1 each, as well as hot coffee, hot cocoa, and cappuccino for $1. Tea is available for 75 cents, and faculty and staff can purchase coffee or hot chocolate for 50 cents a cup. In a few weeks, iced coffee and iced cappuccino will also be available.

In addition to the new breakfast items, three bistro tables have been installed in the library with a potential of charging 21 devices per table. Students, faculty, and staff will have the ability to quickly charge their Apple and Android devices while enjoying a cup of fresh brewed coffee and a warm biscuit between classes or while studying.

For more information about McMorrough Library, contact Jim Thompson at jothompson@holmescc.edu or (662) 472-9164.
COFFEE!!!
How to Find Faculty, Staff, and Administrators?

1. Coffee

2. Friday Wanderings

3. Professional Development Opportunities
Results

1. Assisting with Departmental Goals
2. New Programming Opportunities
3. Real Bridges Between Departments
Incentives

1. Athlete/Scholarship Sign-in

2. Extra Credit

3. Can I get an Assist?
Numbers

Our Gate Count continues to increase at 10% on AVG per year.

While physical charges continue to fall.

Why are they coming in... but not checking out? Realization!
