Young People SRT: (Submitted by Ally Watkins) The Young People’s Services Round Table is
preparing for the conference. We have gotten a verbal commitment for our luncheon from speaker Linda Williams Jackson. Linda is a Mississippi author of two novels for young readers and we are delighted to have her coming to speak at our event.

New Member RT: Jesse Pool – Since the last MLA board meeting, I’ve turned in proposals to have two New Member Round Table sessions at the October Conference, one on Wednesday and one on Thursday, in order to reach the most members (Many school librarians are only able to attend one day.) We also want to have an “unconference” area similar to what we did with the white boards last year for Long Range Planning Committee and a booth with scheduled “office hours” for MLA board members and section /roundtable chairs to be present and meet with new members who aren’t sure how to get involved or want to know more about what a section or roundtable is about. Jesse is looking for an updated list so that he can reach out before conference.
